DUNE MAX RH 99 - 20MM

Board & Tiles

Dune Max, the new 20mm tile offers a high sound absorption (NRC-0.70) suitable for open office spaces especially.

The new improved texture also displays less visible perforations on the surface. The sag performance has also been improved to RH 99 thereby increasing the service life of the tile. Dune Max can now help you build greener interiors with an incredible 81-84% recycled content and high light reflectance performance of 88%.

HIGH NRC
0.70
